

Dear Parents,

We have received correspondence from island headquarters that the association is in its final stages of ordering the new uniform. As such, to facilitate the ordering process they are conducting an exercise to gather what is needed from its members. Below find a table with measurements that you need to take of your child. The key and image can help you take the correct measurements.

Please fill in the form and you child's name and return it to your section leader so that we can send over the measurements to the association.

GSL

Lorrie Saliba

Key to Measurements:

- Chest: Measure under the arms around the fullest part of the chest
- Collar: measure around the base of the neck
- Waist: Measure around the natural waist. Make sure measuring tape is not tight
- Inner Leg: Measure from the top of the inside leg at the crotch down to where trousers are to be WITH shoes

Return this part to you leaders
